

EFFIGIES PARACELSI

*Castra fortis fata refringere,
ut docta cillens jura Magnaonis;
Artesque Phaebeas salubri,
mente PARACELSVS elaborat.*

P. Soutman Inven. Effiguit et Excud.

MEDICI CELEBERRIMI

*Chen laborans! nec tamen irrita
Decreta reddet. Furida perbreui
Mors decolorabit, facemque
Purpuream solvet favilla.*
