

See Highmore's case, or journal.

Pamela having divided her Clothes into three Bundles, in order to leave the House, rejects that containing her Master's presents, calling it the wretched bundle of harlots' and her own little Parcel, which she hugs in her Arms; this occasions an exclamation from M^r. Jervis, M^r. B. in a Closet listening.

Pamela ayant separé ses habits en trois paquets, dans le dessein de quitter la maison, fait un discours touchant au sujet du sien propre, qu'elle tient entre ses bras, ce qui donne lieu à M^{rs}. Jervis de faire des exclamations M^r. B. est aux écoutes dans le cabinet.
