

THE RIGHT NOBLE AND VERTEVOVS PRINCES; ELIZABETH DAUGHTER TO OVR SOVER: LOVR: King James

Quam cernis vera est, sed non est plena figura;
 Ipsi sic, oro patent, interiora latent
 Scilicet ingenium, virtutum gratia, mores
 Humana pingi non potuisse manu:
 Sic ego mortales imitari dextera formas
 Mortalis, ductus arte mirante, potest
 Aut animi, doctus et sua sine sumptibus semper
 Vivit, virtutem nulla tabella capere

Art to be sold in Lombard street by John Boeswell.

This Forme and Face (which Artio delineates)
 in both, shewes Itace and Natures utmost skill:
 For of this Type the Arch-type intimates
 the mirable Forme, most faire in Will, and Will
 is preordained, to raigue o're Men and Gates;
 and so her glorie Heaven and Earth to fill:
 When, sit on this Throne empty, yet, for ever MORE,
 Shee is our Ruler, changing still for more: So, Davids
