

Sprengius effigiem tulit hanc, cum quattuor annos
 Etatis. nec non bis septem lus tra peregit:
 Post ubi ter Phæbus totum confecerat orbem.
 Terq³ decem luces aderant sub tempore Martis:
 Mors inopina truci hunc traiecit pectora ferro.
 Cuius ab officio Europæ monumenta per oras
 Publica transvolitant passim, laudesq³ merentur..
