

ARN. DRAKENBORCH. VILTRAI. IVD. HISTOR. ET ELOQVENT. IN. PATRIA. PROF.

Accipe, Vechta pater, vicino munus ab Ya,
Ora Drakenborchi vivida in aere tui;
Ac venerabundis ostentans gentibus, effer
Ex vitreo glaucas celsius amne comas:
lactet enim multos quamquam tua Pallas alumnos,
At tuus ex toto qui memoretur, hic est.
