

ANNO MDCLXXXI. ÆTAT: LXXV. BRANDAN, DE TRINIS. S. TH. D. PROTE CCL. ASTES G. V. P. H. C. CONSISTORI DIRECTOR ET ABBAS RIPPAGSHAMNS.

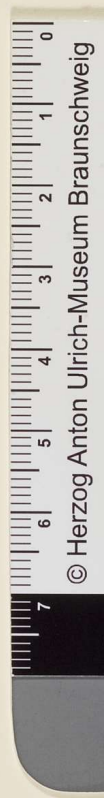

Hac vera est gravitatis, et hæc candoris imago,
 Si facit (ad laudes frontis) et oris honoꝛs.
 At quas corporeo, hoc Deus (abdidit intus) in aniro,
 Non potuit solens promere pictor opes.
 Vis magna ingenij, (et doctrina rara supellex,
 Iudicij robur nobite, spæda potens.
 Infucatus amor pietatis, et ardor honesti,
 Mascutus et Domini pro grege cura vigil.
 Dotibus suis placuit Ducibus, placuitq; Dynastijs,
 Sed semper studuit plus placuisse Deo.

fecero, optime querita f. Johannes Pabonius.
