

De Virtute Musica A. Gumpelzhaimer.
 Quid forma melius? quid fulvo carius auro?
 Quid toto regnis maius in orbe datur?
 Iaspide quid pulchrum magis est? quid melle tenaci
 Dulcius? Hyblæis candidiusq; rosis?
 Dulcior est virtus sed Musica, pulchrior una
 Forma, auro, regnis. jaspide. melle. rosis.

E. Ehinger, Primarius.
