

AVGERIVS GISLENIUS BVSBEQVIIVS.

*Te voce AVGERI, mulcentem Caesaris aures
Laudavit plausus Austris Ister aquis.
Te Ducis Ismarij flectentem pectora verbis
Thrax rapido obstupuit Bosphorus e pelago.
Te gessisse domum pro nata Caesaris, ingens
Sequana conspexit, Parisijque lares.*
