

Astræa genius, Romani Saxoniciq;
 Inter bonos patria dextera, norma fori:
 Hoc habitant vultu, quem vasta volumina monstrant
 In quibus ipsa Themis prodigiosa latet.
 Quod Roma bis quinque viri, Spartacus, Læurgus,
 Cecropiusq; Solon, Saxoniae unus erat.
 Jurag nec cessant extincti dicere manes,
 In Libris Minos et Rada mantibus agit.
