

Imbellis David Goliadi cæde furentis
 Membra, brevi funda, prodigiosa ferit.
 Qvò Satanam superes victor, savosq; tyrannos:
 Non opus est conto, non opus ense fero:
 Sufficit, & castus pietas perdurat in omnes:
 Armag dat constans, & sine labe fides.
 Plus Dominus CORN, quam vi valet efferus hostis,
 Si caelestis adest gratia prasto, sat est.

Wolfgang Kilian fecit.
