Vt quondam Alcides, nodosæ robore clavae
Dum Stygis indomitus, monstra tot abdit aquis,
Sordibus Augiæ stabulum purgavit, et unus
Imposuit scapulis tam graue pondere onus:
Non secus HVNNIADES, cuius præsente tabellâ
Vivida perspicuis spirat imago notis;
Dum reuomit calami Furiarum cuspidè vireis,
Hæreson orbem liberat à paleis.
