

EFFIGIES PARACELSI

MEDICI CELEBERRIMI

*Cura fortis fata refringere,
ut docta callens pura Machaonis;
Artesque Phaeacis salubri
mente PARACELSVS elaborat.*

P. Soutman Inven. Effigavit et Excud.

*Eheu laborans! nec tamen irrita
Decreta reddet: luida perbrevis
Mors decolorabit, facemque
Purpuream solvet favilla.*

Cum Privilegio

P. Van Sompeel Sculp.
