

Gallus in INFANTEM furor, asperat arma virosq;
 Nec tamen ille, suâ proficit arte, furor:
 Quippe annis HISPANIS adest uigilantib, INFANS;
 Ense ferit gallos, gallus ab ense periet.
 Sic facies, sic ora docent, sic fronsq, caputq,
 INFANTEM hunc, hostes perdere posse suos.
 Fundit in INFANTE, hoc, uictrix HISPANIA, Belgas:
 INFANS ô quid aget, quando aget ille VIRVM?
